AL-SAFWA SECURITY DEFENCE SYSTEMS COMPANY

ABOUT US

Established in 1993 under the auspices of Late Emir Sheikh Jaber Al-Sabah. The core purpose of the company was to involve retired Defence Forces Officers along with Police, National Guard and Fire Brigade Officers with the aim of working closely in co-ordination with defence forces, security authorities and Ministries to utilize the experiences of retired officers to continue serving the country. The Kuwait Public Investment Authority has also invested and is actively involved in the company.

CORE VALUES

Accountability

We take responsibility for our actions and results.

Excellence

We are dedicated to providing top-tier consultation services.

Integrity

We maintain high ethical standards.

MISSION

Our mission is to empower organizations to thrive through strategic guidance, innovative solutions, and unparalleled expertise.

VISION

We aim to push boundaries using advanced tech for transformative solutions.

WHY US?

Our distinctive feature is our client-focused strategy. We place a high value on comprehending the specific requirements and obstacles of each client.

OUR SERVICES

We strive to provide top-notch
service.

Petroleum Related Services and Products

Alsafwa delivers high-quality petroleum products and services tailored for the energy, industrial, and infrastructure sectors. Our range—including refined fuels, industrial lubricants, and specialty petrochemicals—is engineered for efficiency, reliability, and performance in demanding environments. Committed to safety, innovation, and international standards, we support mission-critical operations with precision-formulated solutions that enhance productivity and operational readiness. Trust Alsafwa for dependable petroleum solutions that power success.

Supply of Military Equipment

Al Safwa supplies advanced military equipment designed to enhance operational readiness, security, and mission success. Our comprehensive range—including tactical gear, surveillance systems, communication devices, and protective equipment—is built to meet the highest global standards. With a focus on innovation, reliability, and precision, we equip defense and security forces with cutting-edge solutions that ensure superior performance in the field. Trust Alsafwa for mission-ready military technology that supports critical operations worldwide.

Spare parts and Ammunition

Alsafwa specializes in the supply of high-quality spare parts and precision-engineered ammunition, supporting the operational readiness of defense, security, and industrial sectors. Our extensive range includes components for military vehicles, aircraft, surveillance systems, and critical infrastructure, as well as small arms, tactical rounds, and specialized munitions—each meeting the highest industry standards. With a focus on reliability, safety, and advanced technology, Alsafwa ensures that personnel are equipped with dependable solutions that minimize downtime, enhance performance, and support mission-critical success across every operation.

Security Assistance

Alsafwa Security and Defence Systems Co. delivers cutting-edge, tailored security solutions to safeguard people, assets, and critical infrastructure. Our expertise spans advanced surveillance systems, facility protection, risk assessments, and specialized training programs—ensuring preparedness and operational resilience. With a focus on industrial security and seamless integration of modern technologies, we provide comprehensive consultancy and system maintenance services that meet the highest standards.

Trusted for our precision, professionalism, and innovation, Alsafwa creates secure environments where safety and peace of mind are guaranteed.

Jet medevac & Helicopter emergency medical services (HEMS)

Alsafwa provides comprehensive air medical evacuation services, combining swift helicopter emergency response and reliable jet medevac solutions to meet urgent healthcare needs. Whether navigating remote terrain or covering long-distance international transport, our state-of-the-art aircraft are equipped with advanced medical technology and staffed by highly trained professionals. We prioritize safety, efficiency, and patient well-being in every mission—delivering expert care from the point of emergency to the destination facility. With a steadfast commitment to excellence, Alsafwa is a trusted leader in life-saving medical aviation services, ready to respond when every second counts.

Defense Services

Alsafwa Defense Services delivers advanced, tailored solutions designed to protect critical assets and ensure operational excellence. Combining strategic expertise with cutting-edge technology, we provide seamless, reliable defense systems that safeguard vital interests with unmatched precision. Committed to innovation and quality, Alsafwa stands as a trusted partner in securing a safer future through expert planning, proactive solutions, and dedicated service that consistently exceed expectations.

Medical Equipments and Supplies

Alsafwa provides a comprehensive range of high-quality medical supplies and advanced equipment designed to meet the diverse needs of healthcare providers. Our products—from essential medical supplies to cutting-edge diagnostic and surgical tools—are selected for their innovation, precision, and reliability, ensuring enhanced patient care and operational efficiency. Committed to excellence and tailored solutions, Alsafwa supports healthcare facilities in delivering exceptional outcomes, making us a trusted partner in the healthcare industry.

Aircraft & Aviation services

Alsafwa specializes in comprehensive aircraft services, delivering precision, safety, and innovation to meet the diverse needs of commercial and private aviation. Our expertise includes advanced maintenance, operational support, fleet management, and tailored aviation strategies designed to optimize performance and ensure unmatched reliability. Committed to excellence and efficiency, Alsafwa provides seamless solutions that elevate aviation operations, prioritizing safety, comfort, and cutting-edge technology. Trust Alsafwa to enhance your aviation experience with expert services crafted to meet your unique requirements.

Military & Civilian Clothing

Alsafwa provides high-quality military and civilian clothing designed for durability, functionality, and comfort. Our expertly crafted uniforms and tactical gear meet the rigorous demands of defense forces, security personnel, and professionals across industries. Using premium materials and precision craftsmanship, Alsafwa ensures reliability, mobility, and a professional appearance in every garment—whether for combat, training, or formal use. With tailored solutions that blend resilience and style, Alsafwa is your trusted partner for apparel that performs under pressure and looks sharp.

PILOT TRAINING & HUET Courses

Alsafwa offers comprehensive aviation training solutions, combining world-class pilot programs with specialized HUET (Helicopter Underwater Escape Training) to ensure complete readiness in both flight and emergency scenarios. Our pilot training equips aspiring and professional aviators with advanced flight techniques, simulator experience, and in-depth safety protocols, all delivered by expert instructors in state-of-the-art facilities. Complementing this, our HUET dunker training prepares crew members and passengers for survival and escape in the event of a helicopter water landing, reinforcing critical skills under realistic conditions. With a commitment to international standards, precision, and safety, Alsafwa provides tailored training solutions that build confidence, competence, and operational excellence in every mission.
